FILL YOUR BUCKET LIST FOUNDATION HOSTS 4TH ANNUAL 'BUCKET BASH' TO
HELP CANCER PATIENTS FULFILL LIFELONG DREAM

CARY N.C. – We all have bucket lists filled with dreams, in the hopes of making them come true. Peggy Gibson Carroll, founder of Fill Your Bucket List Foundation, had this in mind when she created her wish-granting non-profit whose core mission is to help cancer patients check a lifelong dream off of their bucket list. Fill Your Bucket List Foundation will host their 4th annual Bucket Bash to raise funds to continue granting joy-filled wishes for cancer patients and their families.

In March, the Foundation will host over 500 sponsors, guests, and past wish recipients at their 4th Annual Bucket Bash. With multiple opportunities to experience the wonder of their mission, the Bucket Bash will feature a gourmet dinner prepared by Raleigh's best chefs, first hand stories from past wish recipients, a silent auction, and much more. The goal for this year's event is to raise \$175,000, which will allow the Foundation to grant at least 40 wishes in 2018 to financially-burdened NC adults battling cancer.

The event will be held on Saturday, March 24 from 6 to 10 p.m. at the [North Ridge Country Club](#) in Raleigh, NC. [Tickets](#) and [sponsor opportunities and packages](#) are now available for this year's 4th annual Bucket Bash. Tickets for the Bucket Bash are on sale for \$125.
